

CHRIST WILL COME

2 Peter 3:9, "The Lord is not slack concerning His promise"

K. B. A.

Katharine Ballard Anderson

1. Christ will come, comfort each other, Just the same, and not another.
 2. Christ will come, "Show forth the Lord's death!" "Till He comes," remember He saith.

3. Christ will come, lean close to His breast; Sing a hymn, chastened, by Him blest

Time is short, "Go therefore, and teach;" O'er the world find lost ones to reach
 Bread and wine strength will enable; Thankful be, friends of His table.

(3) "Watch and pray," wherever you are; To His own, Jesus is not far.

CHORUS

God's Word is not slack! His Son will be back! How much longer

no man knows. Daily still the true Church grows; And when the

number is complete, We still repeat, Christ will come! surely come!
